

*Bring Your Own Device  
is fully implemented at  
Trinity Bay SHS*

*At TBSHS we aim to develop active learners who are innovative and confident users of technology in an ever-changing digital world.*

## Device Specifications and Minimum System Requirements

To be part of the BYOx Program devices are required to meet the following specifications:

Device type	Windows	MacBook Laptop	iPad
	Recommended		
Operating System	Windows 11	OS version 12 or higher	iOS 15.0 or higher
Min Hard Drive size	128GB	128GB	32GB
RAM	4GB	4GB	
Min Screen size	11"	11"	9.7"

**Queensland Education BYOx Program *does not support Androids or Chromebooks***

Other min requirements: Battery Life 6 Hours. Wireless 5GHz 802.11n.  
Considerations: Accidental loss and breakage insurance. Protective case.

*While all devices meet the minimum system requirements/hardware specifications, the school strongly recommends that students choose a laptop device to ensure that the BYOx Program maximises their learning experiences.*
