

Vocal and Instrumental Music Program Registration 2026

At Trinity Bay State High School, the V&IM program becomes an integral part of a student's music education where we provide tuition in vocal, string, brass, woodwind and percussion instruments. Instruction takes place on a small group basis with 3-6 students learning together each session. Ensemble work is provided through concert band, string ensemble, percussion ensemble and choir. Students do not need an instrument to join the program as we have these available for hire.

Tuition is available on the following instruments:

Vocal: Soprano, Alto, Tenor and Bass

Strings: Violin, Viola, Cello and Double Bass

Woodwind: Flute, Clarinet, Bass Clarinet, Oboe, Bassoon, Alto Saxophone, Tenor Saxophone, Baritone Saxophone

Brass: Trumpet, French Horn, Trombone, Euphonium, Tuba

Percussion: Tuned and Un-tuned

Initial enrolment in the subject is for a minimum of 12 months. Regular expenses are required at various intervals for performances and tours, etc. as well as an expense for music uniform. **There is an annual \$25 school levy/subject fee per students to participate in the program to pay for sheet music and other consumables. If your child is hiring a school instrument, then there is an additional fee of \$100 for the year to cover maintenance of the instruments.** These fees are invoiced to the child commencing the program.

If you would like your child enrolled in the V&IM Program, please fill out the form below and return it with your school enrolment forms to the Trinity Bay SHS office.

Student Name: _____

Student School Email: _____

Please choose one of the following:

My Student plays and instrument in primary school.

Instrument: _____

My child is interested in learning an instrument for the first time.

Instrument: _____

Parent/Carer Name: _____ Phone: _____

Parent/Carer Email: _____

Those parents or members of the community who, like us, have a passion for music may wish to become part of the *Performing Arts Sub-Committee*. This group of parents offer support to the program in a myriad of ways, as and when they can. We are keen to include the skills and talents of anyone who wishes to offer their assistance by, for example, taking proposals to the P&C, formulating ideas for fundraising to purchase new equipment and assisting with supervision and running of performances outside of schooltime, the transportation of equipment to performances, which is often done with the help of people with utes or small trucks etc. Please let us know if you can help in any regard.

I would like to aid the Performing Arts Sub-Committee by becoming a member and supporting the Trinity Bay V&IM ensembles at performances and events.
