

All Students Are Scholars

Raising Academic Expectations of Students and Getting Ready for the QCE

Scholars... show RESPECT

- I respond positively to feedback, and improve my work wherever I can
- I respect everyone's right to learn in a safe and scholarly environment

Scholars... are RESPONSIBLE

- I do my research, and find resources
- I seek help with work I don't understand
- I complete my work to the highest possible standard
- I hand my work in on time

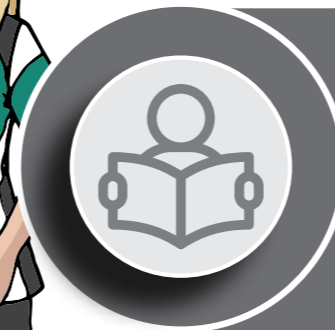

Scholars... build RELATIONSHIPS

- I am true to my word: people trust me
- I work well with others: people like having me on their team
- I am sensitive to other people's feelings
- I make friends with good people, and aim to build a positive reputation for myself

Scholars... are PROUD of themselves

- I have academic goals and ambitions
- I am proud of what I've achieved
- I don't let myself get distracted
- I persevere and keep trying – even when things get tough
- I have the courage to succeed
- I can do it

Scholars... are LEARNERS

- I arrive prepared with the equipment I need to learn
- I find ways to enjoy learning
- I study hard, and commit things to memory
- I make sure my work doesn't have any errors before I hand it in
