

PRE-ARRIVAL INFORMATION

Students will be met at the airport by their homestay family and a representative from Trinity Bay State High School.

Before boarding the aircraft please ensure that your passport, student visa and a pen is packed in your cabin bag. Also travel with your homestay family information and Saniya Muller's contact details in case there is a change to the flight details or a problem at the airport. The airline staff will give you an Australian Immigration and Customs Declaration form as your flight nears Australia. Complete the form on the plane and do not be afraid to ask for help if you are unsure of the answers to any questions.

When you arrive in Australia, you will be stopped at an immigration checkpoint and asked to hand in your passport and forms. You may be asked questions about your stay before your passport is stamped and handed back to you. (Note: It is illegal to use a camera or phone in this area of the airport.) Once you have passed through the immigration checks, you should collect your luggage and proceed to your connecting flight. (Upon departure you can have the airline send your luggage onto the connecting flight for you).

When you arrive at the Cairns airport, walk through to the baggage collection and look for a school representative holding a sign and your homestay family.
